Suspects caught jumping fences after fleeing

Javier Villarreal
09/19/1995

By Y.C. OROZCO

Just before 7 a.m. on Friday, March 6, La Porte Police responded to a report of an incident that had just occurred involving a stolen vehicle in the 10200 block of Catlett Lane.

Before La Porte officers arrived on the scene, the victim had taken action immediately and followed the suspects as they fled toward the western city limits near Deer Park.

According to La Porte police, once at the border between the two cities, the stolen vehicle crashed and three suspects fled on foot into Deer Park.

Police said the victim was unable to catch up with the suspects, described as Hispanic males, as they were last seen running northbound on Luella.

Shortly after La Porte police received a report about several males jumping fences through a Deer Park neighborhood.

Deer Park PD patrol units were able to locate and take into custody three Hispanic males in the 4700 block of Luella.

Following an investigation, 19-year old Deer Park resident Javier Villareal and his juvenile brother have been connected to the alleged crime. The Harris County District Attorney's Office declined charges against a third suspect who fled from the wrecked vehicle due to the victim's inability to identify him.
